

**"You put all the doubt out of my mind. Thanks!" (Jr. High)**

October 2012

Dear Friend,

All of us at FaithSearch are energized and focused on our "Explore the Evidence Twin Cities Metro" events this fall. (See the enclosed brochure describing this campaign.) It is part of our desire to fulfill our mission: "To proclaim the Gospel with evidence to all peoples everywhere." I'm writing to invite you to help us do that.

- Oleg is proclaiming it in Russia
- Reuben is leaving soon to proclaim it in India
- Joe, Pat, Reuben, Adrian and I are currently doing evangelism and discipleship events in the Twin Cities and beyond

Last night I received the encouraging written response about "doubt" above. Another student wrote: "Thank you so-o-o-o much for coming tonight. I really got your message about what IS in the name of Jesus—please come again!"

### Explore the Evidence

Proclaiming the Gospel with evidence is what God has called us to do (1 Peter 3:15). Not to win arguments, but to change lives for eternity.

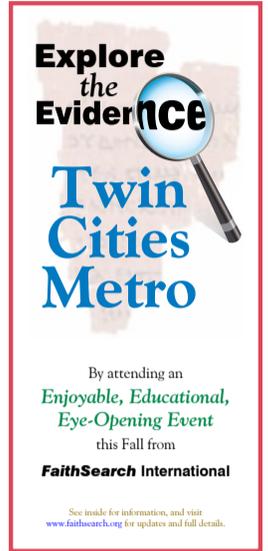

At a FaithSearch Discovery event last Saturday morning, Tyler wrote: "Today I prayed with you to begin trusting Jesus as Savior and Lord of my life. I appreciated learning the facts about the Bible and knowing [the truth]." Another attendee wrote: "In 1999, Dr. Bierle and FaithSearch gave me the 'Ah-ha!' moment and I became a Christian."

### Share the Evidence

A confident faith often produces a shared faith! We are multiplying the proclamation of the Gospel with evidence in every event through the believers whom we strengthen in their own faith. They express confidence like this: "Awesome presentation! It was hugely reaffirming and just underscores why I follow Jesus Christ as the king of my life." Participants continually tell us, "[This event] has solidified my faith and I feel more confident to share the Gospel with unbelievers."

Parents of teen-age youth recently wrote, "This has given us the tools (facts) we need to reach our high school and college-age children who have fallen away from the faith. They need 'proof' and now we have it!"

A man whom I trained to be a teacher of the Gospel with evidence more than three decades ago recently contacted us with these encouraging words: "I have been teaching the old curriculum since the late 70s early 80s. Still challenging many believers and those still in doubt."

"Explore the Evidence Twin Cities!" Pray, Provide and Participate, to reach our "Jerusalem."

Because **FaithSearch** is a multiplying ministry, a financial gift from you will have the same larger-than-expected impact which others' gifts have had over the years: **70,000 faith commitments to follow Christ** and the estimated **two million who have heard or read** our Gospel with evidence message over the thirty-three years of our existence.

## Support the Evidence

You can help to make all this continue to happen as a “multiplier” yourself. You can “support the evidence” in two ways:

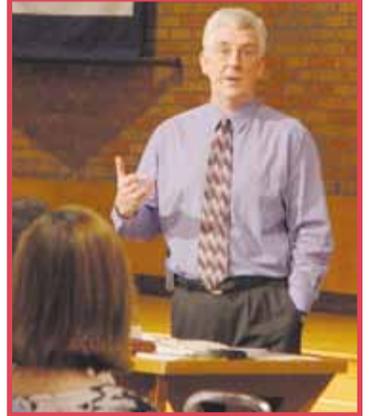

1. By **a generous financial donation** as an investment in this Gospel ministry *and*
2. By **attending an event or two** each year and bringing some friends with you

That's the biblical model. The apostle Paul was very thankful for his financial supporters: “*I always pray with joy because of your partnership in the Gospel from the first day until now...*” (Philippians 1:4-5). When Jesus sent out the group of seventy-two to share the Good News, He told them to rely on whatever people provided them because “*the worker deserves his wages*” (Luke 10:7).

The apostle Paul also argued from the Old Testament Law of Moses: “*Do not muzzle an ox while it is treading out the grain*” (Deuteronomy 25:4); meaning, “*If we have sown a spiritual seed among you, is it too much if we reap a material harvest from you?*” (1 Corinthians 9:11).

As an **evangelism and discipleship ministry**, **FaithSearch** is dependent on friends like you to support “Explore the Evidence Twin Cities Metro” by attending an event or two with your friends.\*

As a **donor-supported ministry**, **FaithSearch** is dependent on friends like you to join us in doing what Jesus asked us all to do, which is to “*tell people about me everywhere*” (Acts 1:8 NLT). We are in great financial need right now to cover the additional expenses of our aggressive fall outreach. Become a “multiplier” by investing in the lives of people who in turn will invest our saving message in others as well. Consider a gift of \$50 or more in order to get a FREE copy of the new third edition of *Surprised by Faith* (see PS below)—and share it to help a questioning friend.

Proclaiming the Gospel with Evidence, especially through **FaithSearch** Discovery, fulfills and sustains me.

Thanking you for sharing God's blessings to you—with us,

Dr. Don Bierle  
President, **FaithSearch** International

\* If you are not able to attend an “Explore the Evidence” event this fall because you do not live in the Twin Cities area, may I suggest that you contact me about coming to your church or community. I will bring “Explore the Evidence” to you, and help “put all the doubt out of people's minds!”

PS: The **revised and updated** third edition of my book *Surprised by Faith* is being released this fall. I'll send you a **FREE** copy, *hot off the press*, to say “Thank you” when I receive your next gift of \$50 or more by **November 1**.
